CERTIFICATE OF PARTICIPATION

This is to certify that

RITIKA

has participated in the **Workshop** on

"AI & Automation using Python", organized by byteXL,

in **Chandigarh University** on **27 Feb 2026**

The workshop provided hands-on exposure to Python-based automation, data handling, and foundational AI concepts. Participants engaged in practical exercises and mini-projects to understand real-world applications of Artificial Intelligence and automation techniques.

We appreciate your enthusiasm, dedication, and active participation.
