CAREER OBJECTIVE

Highly motivated and adaptable Computer Science and Engineering (AI) student with strong communication, problem-solving, and teamwork skills. Seeking an opportunity to apply my technical knowledge, quick-learning ability, and attention to detail while contributing effectively to a team, working both independently and collaboratively to achieve goals and deliver quality results.

EDUCATION

B.E. – Computer Science and Engineering (Microsoft AI) 2025 – 2029
Chandigarh University, Mohali, Punjab — GPA: 7.84 (1st Year)

Senior Secondary (Class XII) – HBSE 2024 – 2025
C.R. Sr. Sec. School, Jhajjar, Haryana - Percentage: 92.6%

Matriculation (Class X) – HBSE 2022 – 2023
C.R. Sr. Sec. School, Jhajjar, Haryana - Percentage: 94.8%

PROJECTS

EduRisk Matrix | HTML | GitHub April 2026

- Designed and developed EduRisk Matrix, a Python-based academic intelligence system that evaluates student performance using attendance, marks, and participation data.
- Engineered logic to automatically compute GPA, assign grades, and classify students into risk levels, enabling early identification of at-risk learners.
- Integrated AI-driven insights into the evaluation pipeline to deliver data-backed, actionable recommendations for academic improvement.

Security Operation Center | TypeScript,JavaScript,CSS | GitHub Nov 2025

- Built a console-based security operations toolkit covering IDS monitoring, phishing detection, and alerting.
- Implemented two-factor authentication and a password manager module to strengthen account security.
- Designed an alert center to centralize and surface security events for quick response.

SKILLS

Technical Competencies: C, C++, Python

Core Concepts: Data Structures and Algorithms (DSA), Object-Oriented Programming (OOP), AI & Automation

Tools & Platforms: Microsoft Azure, GitHub, GitHub Copilot

Interpersonal Skills: Teamwork, Time Management, Willingness to Learn, Critical Thinking

CERTIFICATIONS

- Microsoft Azure Fundamentals – AZ-900
- Certification of Entrepreneurial Mindset: Build, Grow, & Lead Your Own Venture
- Certificate of Critical Enquiry and Research Methodology

ACHIEVEMENTS

- Consistently maintained a strong academic record throughout studies.
- Earned 11 badges on Microsoft Learn. | Microsoft Learn Badges

HOBBIES & INTERESTS

Travelling, Playing Badminton, Athletics
